

Who's Got the Power in Your Relationship?

A Free Workshop Online or In Person in San Diego

How do we get power in our relationship? By putting our partner down or empowering ourselves? Do I want to tear you down or lift myself up?

How do we shift out of this hierarchy and into a co-creative relationship where both partners are thriving. Come to this workshop to understand where you may be holding each other back and get support to grow beyond this negative pattern, empowering ourselves individually and in our relationship.

Consider yourself invited if you are in a committed relationship of any kind: gay, straight, trans, roommates, partners, even friends. The only requirement is that you have a relationship where you are committed to one another.

You're also invited if you are not in a relationship but simply wish to explore this topic. We'd like to help. For years, we Inner Revolutionary Couples have been practicing a program called *Sex & Spirituality*, which has transformed us and our relationships. Now we would like to share it with you so that you can increase the love, passion and intimacy in your life.

Join us for an exciting free workshop on June 25th, from 1 - 3:30 PM, PST. We are also offering a follow up on June 27th, from 6:30-7:30 PM, PST so we can check in and see how things are going.
