

## IRRELEVANCE OR LIBERATION: WHAT DOES IT MEAN TO BE A MAN TODAY?

A Half-Day Retreat: in Person in San Diego or via Videoconference Anywhere

---

Sunday, October 21, 2018 | 10am – 1pm

It's hunting and gathering times. We know what the man does. He hunts and grunts!  
It's Medieval times. Men rule. They go to war! They rape. They plunder!

Fast forward to 2018. **What does a man do?**

**In today's world, men, women and other gender people go to war, cook, run companies, take care of kids, write poetry, play sports and rock and roll. We even have artificial insemination. So what's special about being a guy? Anything?**

Join us for a fun but dead serious look at men's roles today, how they've changed and what that means for the men who are navigating the new territory. How are you adjusting? Are you feeling the pinch of not knowing who you are? Or are you finally feeling freed up from roles that might not have suited you? **Irrelevance or Liberation? What Does It Mean to Be a Man Today? Join us to find out.**

**Inner Revolutionary Men** is the men's group of TheInnerRevolution.Org, a nonprofit organization found online at: [www.theinnerrevolution.org](http://www.theinnerrevolution.org). Learn more about Inner Revolutionary Men at <http://innerrevolutionarymen.org>
